On July 10, 2015, Civic Epistemologies [2] held a successful one-day workshop in NSZL. Topic of the

workshop was volunteer online help provided to cultural institutions. In addition to the participants of the project, lecturers arrived from Austria, Spain and New Zealand, and also several interesting presentations were held by Hungarian lecturers on the Budapest City Archives and, among others, about Open Society Archives or Fortepan.

Materials of the lectures and some photos of the participants are available on the website of the workshop [3].
