

The Way of Don Quixote in Hungary - exhibition

2015/04/23

As of April 23, 2015, you can visit a book exhibition in Cervantes Institute, Budapest where you can see, among others, the first, Jean Pierre Florian edition of Don Quixote; the three-volume book published in 1829 (in French) by Hartleben Publishing House; and the first Hungarian translation, by Ignác Karády, which had been published one month before the freedom fight and revolution of 1848 broke out.

[1]On the occasion of the 400th anniversary of the publication of Don Quixote, Part 2, Ernesto Sabato Library organized an exhibition entitled [The Way of Don Quixote in Hungary](#) [2], in cooperation with National Széchényi Library and the National Library of Foreign Literature and Music Collection. Over sixty items shown at the exhibition present the original Hungarian editions published from 19th century until present-day. Among the exhibited books, you will find, among others, the first, Jean Pierre Florian edition of Don Quixote; the three-volume book published in 1829 (in French)
