Just like last year, this May too, National Széchényi Library will participate in the so-called Summering of Museums, an event held in the garden of the Hungarian National Museum between May 16 and 17.

At 20th Summering of Museums, we will present and sell our materials, souvenirs and publications. We will also welcome you with a discount registration: we will give you a 20-percent discount from our current registration fee. The discount coupon can be used at the Registration Desk of NSZL until May 31, 2015 the latest. At the same time, we will provide you with information on our exhibition entitled [Hungarians in the Caucasus. Research of the Caucasian Homeland in the 19th Century](#) [2], which was opened on April 21, 2015.
