On Romani language in Sweden’s Television

2016/05/13

Sveriges Television (Sweden's Television, SVT), the Swedish national public TV was shooting in NSZL for a six-episode documentary to be made on the Romani language.

[1]

On May 13, 2016, Sveriges Television (Sweden's Television, SVT), the Swedish national public TV made some shooting in National Széchényi Library for a six-episode documentary to be made on the Romani language. Documents in Romani language and items on the Romani language held by NSZL were presented by Péter Lakatos, research fellow of HAS Research Institute for Linguistics [2] in Romani language.
