87th Festive Book Week: June 9–12, 2016

2016/06/06

This year too National Széchényi Library will take part in Festive Book Week organized on the 87th occasion by the founder, the Hungarian Publishers' and Booksellers' Association.

This year too National Széchényi Library will take part in Festive Book Week organized on the 87th occasion by the founder, the Hungarian Publishers' and Booksellers' Association.

During the 87th Festive Book Week, old and new publications published by National Széchényi Library will be available at a discount price. We are looking forward to seeing you at Festive Book Week.

Books recommended for you by NSZL:

The latest, 8th volume in our series Bibliotheca Scientiae et Artis, entitled Discourses of power. Representations of power in sciences and the arts *[1]* (Edited by Csilla Bíró Csilla and Beatrix Visy), was published jointly by NSZL and Gondolat Publishing House. (Bibliotheca Scientiae et Artis has been published since 2010.)

A book by Kornélia Vas-Tóth, entitled Ex libris and image culture. Modern Hungarian ex librises *[2]*, was published jointly by National Széchényi Library and Kossuth Publishing House.

Map [3]

Between June 9 and 11, the Souvenir Shop at the main entrance of National Széchényi Library will offer NSZL publications, available at a discount price during Festive Book Week, until the stock lasts.
