Budapest, 2016

Academic researcher of NSZL Dr. Kornélia Vas-Tóth took part in Hungarian Language Day gala on November 13, 2016 as an award-winner in competition category Linguistic Essays. She received the award from linguists Géza Balázs and Károly Minya in the ceremonial hall of Pesti Vigadó.

Her award-winning competition essay entitled *The Discursivity of Text and Image on Ex Librises* was included in the book entitled *Nyelvi esszék (Linguistic Essays)* (Ed. by Géza Balázs and Károly Minya, Anyanyelvápolók Szövetsége – Inter Kft., Budapest, 2016), published for the Hungarian Language Day. You can read the text in Hungarian below.

Congratulations to the author!

Detail from the book [1]
