National Széchényi Library as a publisher will participate in the 24th International Book Festival Budapest. You can find us at Millenáris, at stand 49/B in Building “B” where you can buy our latest publications, postcards and souvenirs at a discount price for the entire duration of the Book Festival.

Our latest publications include, among others, four books you can flip through at the Festival Library, which was set up for the first time this year.

The volumes are the following:

- La Fontaine’s Complete Tales [1]
- Typography Since Olden Times [2]
- Workers ’56 [3]

The fourth title is an Arany folder related to our exhibition entitled *“Others get laurel only by leaves…” – Treasures, cult, impact history* to be opened in National Széchényi Library at 11 a.m. on April 28, 2017. Related to the Arany exhibition, we will offer quite a few souvenirs: visitors will find postcards, bookmarks, notebooks, canvas bags and several other interesting items at our stand.

You are most cordially welcome between April 20 and April 23, 2017!

Maps and other information can be found on the official website of the Festival [4].
