Earth Day 2017 – April 25–26

2017/04/25 - 2017/04/26
2017/04/20

On April 25 and 26, 2017, we are waiting for visitors with presentations and stands of environmental protection organizations in our Library. Topics include green lifestyle changes, outlines of a new economic paradigm, ecologically oriented improvement of the quality of life, and fight against climate change.

On the occasion of Earth Day 2017, several presentations will be held in National Széchényi Library on Tuesday April 25 and Wednesday April 26. Topics include green lifestyle changes, outlines of a new economic paradigm, ecologically oriented improvement of the quality of life, and fight against climate change. In addition to the presentations, environmentalist NGOs were invited to present their publications and to talk with those interested in issues related to environment protection.

Presentations will be held in the Lobby on Floor 8, and NGO stands will be set up on the corridor of the Express Elevator.
