

Copying service

Dear Readers!

From 19 December 2022 to 2 January 2023, the processing of copy requests received via the quotation form will be suspended, during which time our copy service will be available using the self-service scanners located in the reading room.

The Digitisation Centre provides copies of written and photographic documents belonging to **the General Collection and the Special Collections** (Manuscript Collection, Early Printed Book Collection, Theatre History and Music Collection, and Map, Poster and Small Print Collection) of the NSZL, and you can submit your request for copies on our [request form](#) [1].

For more information, please contact masolatkeszites@oszk.hu [2] or the staff of the Special Collections concerned:

- [Manuscript Collection](#) [3]
- [Early Printed Book Collection](#) [4]
- [Theatre History and Music Collection](#) [5]
- [Map, Poster and Small Print Collection](#) [6]

For information on the digitisation of documents held in the Historical Photo and Video Collection and sound recordings in the Theatre History and Music Collection, please contact the following e-mail addresses:

- Historical Photo and Video Collection: interjutar@oszk.hu [7]
- Theatre History and Music Collection: zene@oszk.hu [8]

The amount of digitisation that can be submitted in one order is limited. Individuals may submit one form at a time: up to 1000 pages for core collection documents and up to 500 pages for special collection documents.

Requests for the next 10 items from the same individual can only be accepted after the previous 10 items have been completed (paid for and posted).

The documents in our collections undergo a condition assessment before they are digitised, so the digitisation of the documents depends on the results.

Based on the request for quotation, we will send you an individual quotation by e-mail, including the estimated time of completion. After receiving written confirmation of the quotation, we will prepare your order.

If you order a copy of the document, you authorise the staff of the National Széchényi Library to make a copy of the parts of the document indicated for your use, in accordance with the Copyright Act, solely for scientific research or individual study and for your individual use.
