During the Scientific Session, the Family Day and the finals of János Arany reciting competition, discount books sales will be held in National Széchényi Library.

On November 23, 2017, during the breaks between lectures of the conference day related to Arany bicentenary, we will sell Arany publications [2] (exhibition catalog, volume of studies, facsimile publication), published by NSZL independently, or jointly with partner publishers. On Friday (November 24) morning and throughout Saturday (November 25), a wide range of further NSZL publications [3] will be offered.

On November 25, finals of the nationwide competition will close reciting competition *„Te aranyok*

*Aranya!" (You Gold (Arany) of Golds!)*, announced by National Széchényi Library, Magyartanárok Egyesülete *(Association of Hungarian Teachers)* and Magyar Olvasástársaság *(Hungarian Reading Association)* in spring 2017. National Széchényi Library will also host an additional event, the so-called János Arany Family Day.
