(You Gold (Arany) of Golds!)* and a Family Day, featuring guided tours, museum education and handicraft workshops and games for families, will be offered to our visitors.

[1]**SCIENTIFIC SESSION**

November 23–24, 2017

National Széchényi Library will hold its traditional scientific conference on November 23 and 24, 2017, related to the János Arany bicentenary and the 215th anniversary of the foundation of the Hungarian national library. Invited plenary speakers of the 18th Scientific Session will be literary historians Péter Dávidházi, László Szörényi and Mihály Praznovszky, and historian Ambrus Miskolczy. In addition their lectures, researchers and experts of National Széchényi Library will present their research results.

[3]**JOINT CONCERT OF KALÁKA ENSEMBLE AND PÉTER HUZELLA**

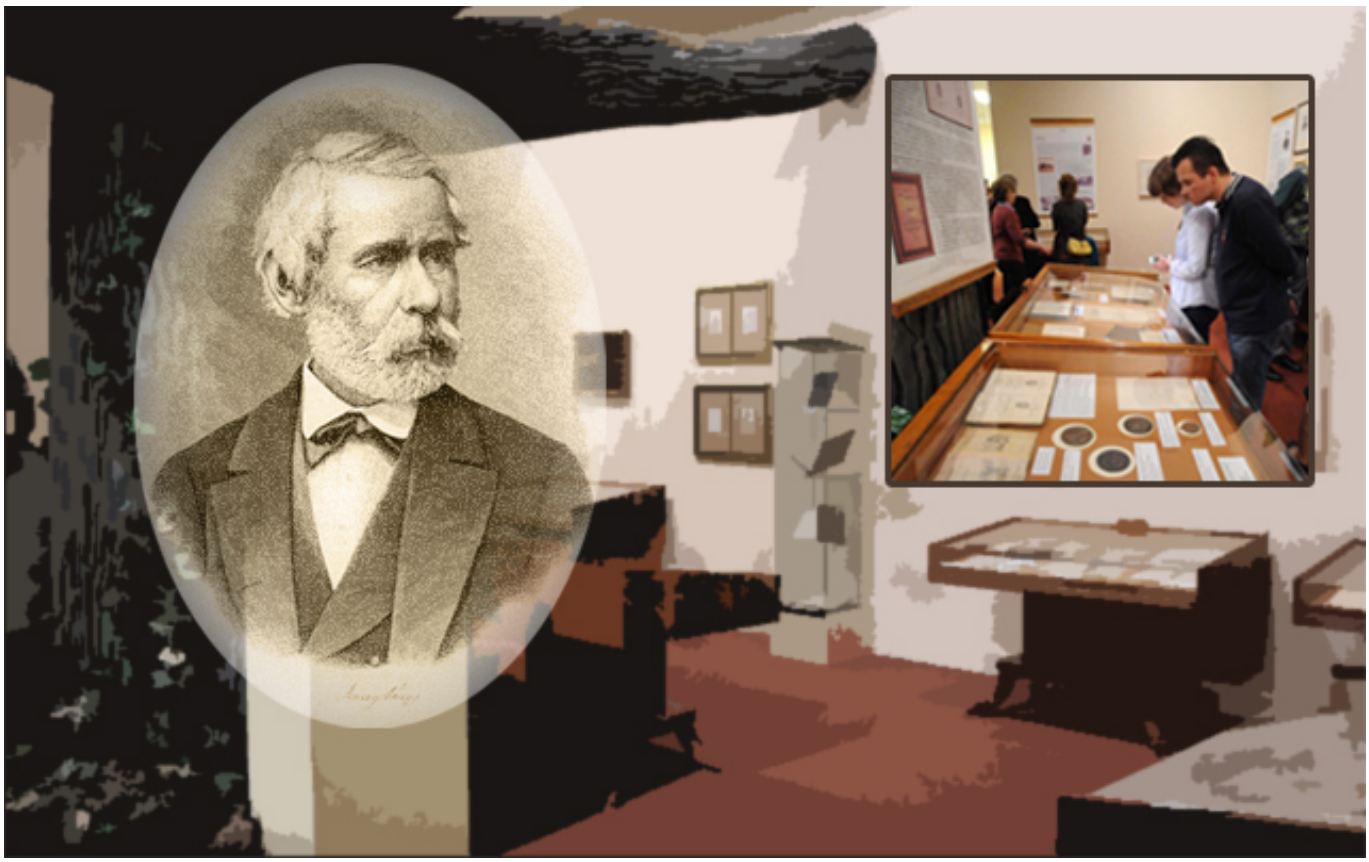

November 23, 2017

At 7 p.m. on November 23, 2017, a joint festive concert of Kaláka Ensemble and Péter Huzella will start in National Széchényi Library. The event will celebrate Hungarian poet János Arany who was born 200 years ago. On several occasions during the János Arany Memorial Year, Kaláka Ensemble performed on stage together with Péter Huzella who, from 1975 onwards, was a member of the music group for 20 years. As part of the three-day festivities in NSZL, Kaláka and Péter Huzella will be heard singing poems by Arany together.
