

Robin Hood in the library

2018/01/22

The 6th grade students of Szentendre-based József Barcsay Elementary School have won our short film competition announced in October 2017. Congratulations to both the students and their teachers!

The 6th grade students of Szentendre-based [József Barcsay Elementary School](#) [1] have won our short film competition announced in October 2017.

“The purpose of the short film competition is to get to know and introduce school libraries from a student perspective. Participants of the competition are supposed to focus on presenting a book, precious for the community (school, city, class) for some reason, which can be found in the collection

Robin Hood in the library

Published on Országos Széchényi Könyvtár (<https://oszk.hu>)

of the school library. We expect from you creative solutions based on a close cooperation of members of the class...”

Congratulations to both the students and their teachers!

You can watch the film on the [YouTube channel](#) [2] of National Széchényi Library. (The film has no English subtitles.)
