Replacement of server

2018/09/19

Dear Users, one of the servers running our online services is down and out. Its content will be moved to a new server by the IT staff of NSZL. During the process, several of the Library’s online services will be unavailable. Thank you for your understanding and patience.

Dear Users,

One of the servers running our online services is down and out. Its content will be moved to a new server by the IT staff of NSZL. During the process, several of the Library’s online services will be unavailable for a shorter or longer period.

Services involved are the following: some of our thematic sites, reader catalog interface, telephone directory, reservation database and certain parts of the website of the Hungarian Library Institute.

Thank you for your understanding and patience.
