Canon and Comparative Studies. NSZL staff members deliver lectures at the international scientific conference of University of Pannonia, Veszprém

2019/05/27

On May 30 and 31, 2019, three members of the staff of NSZL will deliver lectures at the international scientific conference of University of Pannonia, Veszprém. Title of the conference is *Canon and Comparative Studies. The Polyphony of Canons in an East Central European Context.*

László Boka, Director of Research and Academic Affairs, NSZL will hold his lecture entitled *Polyphomy and decentralization. Endre Ady and the A Holnap anthologies as head-springs of Hungarian literary modernism and sources of regional literatures in an East Central European context* on May 30 at the international scientific conference entitled *Canon and Comparative Studies. The Polyphony of Canons in an East Central European Context*, to be held at Veszprém-based University of Pannonia. On the same day, Beatrix Visy will deliver her lecture entitled *Ottó Tolnai in the canon of Hungarian literature*, while Jolán Mann will hold her lecture entitled *Central European conjunctions in Miroslav Krleža's* works on May 31, 2019.

Conference program and resumes of the lectures are available at the website of University of Pannonia, Veszprém [1].
