Prolongation of expired reader passes – remote access

2020/03/30

In order to facilitate our readers' research and learning activities, we will extend the validity of NSZL reader passes expiring between March 14 and May 31, 2020 for further two months, upon request by the reader, free of charge.

National Széchényi Library would like to keep on providing remote access to its subscribed databases, in order to facilitate readers' research and learning activities. That is why the validity of NSZL reader passes expiring between March 14 and May 31, 2020 will be extended for further two months, upon request by the reader, free of charge. If your reader pass expires during the period stated above, please, contact us at inform@oszk.hu [1] and submit your full name and reader pass number.

Subscribed databases can also be accessed from home [2]
