

World War II was over 75 years ago - a documentary from NSZL

2020/05/06

Under the title *The War is Over*, National Széchényi Library just published a documentary made by its Collection of Historical Interviews 15 years ago. Guided by expert historian Mária Ormos, the film presents what happened in Hungary in the spring of 1945, by pictures of period newsreels, excerpts from life interviews and via personal stories of witnesses.
