

100 books on Trianon in the Hungarian Electronic Library

2020/06/03

On the occasion of the 100th anniversary of the signing of the Treaty of Trianon, National Széchényi Library will commemorate the event with one hundred digitized publications throughout the year.

On the occasion of the 100th anniversary of the signing of the Treaty of Trianon, National Széchényi Library will commemorate the event with one hundred digitized publications throughout the year.

As a first step of the work, the reference librarians of NSZL added additional works and titles to the list of already digitized and previously published books related to the topic. The individual items of the bibliography, thus expanded to one hundred items, will be continuously digitized as of spring 2020, taking into account copyright obligations. Currently, over sixty works out of the ones on the list are available at the website of the [Hungarian Electronic Library](#) [1].

The full list, with more and more available content, can be read [here](#) [2].

Our goal is to make it possible for researchers and those interested in the subject to find useful
