

Video recordings of the Benyovszky conference presentations are now available

2021/09/23

On the occasion of the 280th anniversary of his birth, as part of the Benyovszky Memorial Year 2021, a scientific conference was organised at the Hungarian National Museum on 20 September 2021.

On the occasion of the 280th anniversary of his birth, as part of the Benyovszky Memorial Year 2021, a scientific conference was organised at the Hungarian National Museum on 20 September 2021.

The Benyovszky International Scientific Conference was the outstanding scientific event of the commemorative year, which was opened by János Árpád Potápi, Secretary of State for National Policy and the main patron of the commemorative year.

One of the opening speeches was delivered by Dr Eszter Amberg, Deputy Director General for Legal and Strategic Affairs of the National Library of Hungary, and in the second session of the scientific lectures, Krisztina Oláh, Head of Department of the National Library of Hungary, gave a presentation entitled Benyovszky a nemzeti könyvtár különgyűjteményeiben [Benyovszky in the Special Collections of the National Library].
