

Free microfilm scanning service

2023/05/17

We are pleased to inform our readers that from 18 May 2023, in order to make library use more convenient, microfilm scanning in our General Collection will be free of charge.

Dear Readers!

We are pleased to inform you that from 18 May 2023, in order to make the use of the library more convenient, **microfilm scanning will be free of charge** at the Reading and Information Services Department.

From now on, any number of copies can be made from microfilm reels or sheets using scanners.

Our staff will continue to assist you in using and copying documents.
