INDOOR PLAYGROUND BY HOMOLUDENS.HU **[4] ASSOCIATION**

Our team has been running indoor playgrounds, craft workshops and creativity programmes across the country for twenty-five years. In 2023, there were more than 150 days where we taught children and adults how to play games or do crafts. In Budapest, we have three board game clubs to come to, so we have a wealth of experience in which games work effectively at events with a diverse mix of visitors.

Location: **floor 5**
Time: continuous (10 am–5 pm)

„A művész nekiirányozza műszerét, a fedőt hirtelen lekapja, hat lépést hátrál, hat lépést közelít, a fedőt hirtelen ismét fölteszi, s a katona föláll és nagyot nyújtózik. A nagy munka megtörtént. A művész a képet kiveszi, a várakozók odarohannak, s látják, hogy a lapocskán van – semmi." (Nagy Ignác: Daguerreotyp)

CAPTURING THE HUMAN FACE **[16]**
The unique treasures of Hungarian portrait photography of the 19th century – exhibition

The exhibition will not only present photographs taken using special techniques in the collection, but also briefly the era of experimentation, the way photography moved from the camera obscura to the mass-produced cabinet cards. Visitors can see daguerreotypes by Gábor Egressy and his sons, colour salt print photographs from the heyday of photography, and a special photo album of scientists from the Hungarian Academy of Sciences from 1865.
The exhibition is open until the end of the year.

Location: **floor 7**, reading room and corridor of the Historical Photo and Interview Collection
Time: continuous (10 am–5 pm)

The programme may be subject to change without prior notice.
